

AN INTRODUCTION TO COLLECTING, REPAIR AND MAINTENANCE OF ANTIQUE AMERICAN POCKET WATCHES

Public Workshop!!

A full day of instruction only \$100
Prerequisite – Interest & Curiosity

Instructor: Dave Coatsworth

Hours: 9:00am to 4:00pm
Limited Class Size – 10 Students

When: Saturday Feb. 10, 2024

Contact: Dave Coatsworth
(dave@biswebdesign.com)

Where: The Dudley House, 197 N
Ashwood Ave, Ventura, CA

Checks payable to: NAWCC Chapter 190

All tools and a movement (similar to the Elgin movement above) will be provided.
Students must bring magnification (such as an Optivisor or eyeglass mounted loupe) and a task lamp.

Curriculum:

- A brief history of the American watch industry and an overview of the American pocket watch (1 hour)
- Complete disassembly and reassembly of an Elgin 16-size pocket watch movement (4 hours)
- Bring in your own antique American pocket watch for evaluation (1 hour)

This workshop brought to you by the National Association of Watch and Clock Collectors
(NAWCC) Chapter 190 – Ventura and Santa Barbara Counties
